Think (think) think (think) think (think)
Think (think) think (think) think (think)

You better think (think) think about what you're trying to
do to me
Yeah, think (think, think), let your mind go, let yourself
be free
Let's go back, let's go back, let's go way on back when
I didn't even know you, you came to me and too much
you wouldn't take
I ain't no psychiatrist, I ain't no doctor with degree
It don't take too much high IQ's to see what you're
doing to me
You better think (think) think about what you're trying to
do to me
Yeah, think (think, think), let your mind go, let yourself
be free

Oh freedom (freedom), freedom (freedom), freedom,
yeah freedom
Freedom (freedom), freedom (freedom), freedom,
ooh freedom

There ain't nothing you could ask I could answer you
but I won't (I won't)
I was gonna change, but I'm not, to keep doing things I
don't
You better think (think) think about what you're trying to
do to me
Yeah, think (think, think), let your mind go, let yourself
be free
People walking around everyday, playing games that
they can score
And I ain't gonna be the loser my way, ah, be careful
you don't lose yours
You better think (think) think about what you're trying to
do to me
Yeah, think (think, think), let your mind go, let yourself
be free
You need me (need me) and I need you (don't you
know)

Without eachother there ain't nothing people can do

Oh freedom (freedom), freedom (freedom), freedom,
yeah freedom
Freedom (freedom), freedom (freedom), freedom,
ooh freedom

There ain't nothing you could ask I could answer you
but I won't (I won't)
I was gonna change, but I'm not, if you're doing things I
don't
You better think (think) think about what you're trying to
do to me
Yeah, think (think, think), let your mind go, let yourself
be free
You need me (need me) and I need you (don't you
know)
Without eachother there ain't nothing people can do

(Think about - ah me, think about - ah me,
Think about - ah me, think about it)
(Think about - ah me, think about - ah me,
Think about - ah me, think about it)
(Think about - ah me, think about - ah me,
Think about - ah me, think about it)
(Think about - ah me, think about - ah me,
Think about - ah me, think about it)
(Think about - ah me, think about - ah me,
Think about - ah me, think about it)
(Think about - ah me, think about - ah me,
Think about - ah me, think about it)
You had better stop and think before you think, think!!
