Welcome to this world guyz.
Stop to talk!
Reset your feelings!
Close your eyes cuz the best is yet to come!
What?
Close your eyes cuz the best is yet to come!!
Fearless now and get ready for all ,
We need flash to satisfied the whimÂ... of a good tie
man,
Of a good tie state-man!
Talk to me like you talk to a baby.
Tell me your reasons and
I will fight for you!!
I will kill for you!!
So sad!
I'm afraidÂ... i'm afraidÂ... i'm afraidÂ...
To die!
I don't know why!
And creepÂ...
I'm afraidÂ... i'm afraidÂ... i'm afraidÂ...
For you!
Â...cuz i'llÂ...
Burn my life for your propaganda!
Now i can understand your words:
No reaction! No reaction! No reaction!
Lalalalala!
Burn my life for your propaganda!
Now i can understand your words:
No reaction! No reaction! No reaction!
Lalalalala!
Hey sir, i choose to follow you,
To follow you in a middle of nowhere.
Lookin for the water and scared to death!
Somebody told me that i'm here
Just to give somethin to eat to this machine!
It's swallowin' me alive!
They say: "everything is fine!"
But i don't know why
Nothin seems to go the right way for me!
So sad!
I'm afraidÂ... i'm afraidÂ... i'm afraidÂ...
To die!

I don't know why!
And creepÂ...
I'm afraidÂ... i'm afraidÂ... i'm afraidÂ...
For you!
Â...cuz i'llÂ...
Burn my life for your propaganda!
Now i can understand your words:
No reaction! No reaction! No reaction!
Lalalalala!
Burn my life for your propaganda!
Now i can understand your words:
No reaction! No reaction! No reaction!
Lalalalala!
Now i can understand your words:
No reaction! No reaction!
Now i can understand your words:
No reaction now!
I'm burnin' down just for you!
