I know you know
Exactly what I'm thinkin'
Now it's in your eyes
You blame me for a fool
You did me wrong
And Lost my love forever
And now you know, life
Could be so cruel

[CHORUS]

Don't you come cryin' baby
Don't you come cryin'
Don't you come cryin' baby
No, No more lying
Don't you come cryin' baby
Don't you come cryin'
Don't you come cryin' baby
No, No more lying
Why you, you keep cryin'? no
Want you tell me? yeah

This not pretend
The things are gettin' better
Don't understand it's
Game of Love we play
I can go on
I feeling broken hearted
It's much to late,
Now that we have party

[Repeat CHORUS]

Why you, you keep cryin'? no
Want you tell me? yeah
Why you, you keep cryin'? no
Want you tell me? yeah

Ke-ke-keep cryin'
Ke-ke-keep cryin'
Ke-ke-keep cryin'

I'll try so hard

To keep our love together
Just tell me why
Your love was so untrue

This lonley nights
It seems will last forever
And now you know
That life could be so cruel

[Repeat CHORUS]
