(Chorus A)  
STOMP THAT SHIT!!!  
STOMP THAT SHIT!!!  
STOMP THAT SHIT!!!  
STOMP THAT SHIT!!! (Don't fall shawty)  
(Repeat 4x)

[Baby D]  
I know y'all getting sick and tired of hearing that same  
ole junk  
Baby D too deep off in this thi-zang and I came to get  
you crunk  
When we jump up in the club it feel like the earth  
quaking  
And yean know the Oomp Camp we got the whole world  
shaking  
We came to R-O-C-K ya and shake off them haters  
And when they ask me where I'm from I say Eastside  
Decatur  
I suppose I'm colder then H 2 O froze  
I'm sitting like some 25's on that SS swoll  
I'm staying down for that Dirty that A-T-L ya heard me  
Rocking crowds North, East, West, way down South now  
bounce  
Now let me ask you a question, have you ever met  
somebody like me?  
When I hit the door you better hit the floor  
cause we came here to get the cheese  
Please believe by all means we party rockers  
See me and Cizzle we doing this for the pill poppers  
The girls jock us, we show stoppers  
When we hit the stage and the music plays the club  
start rocking

(Chorus B)  
STOMP THAT SHIT!!! (whoa)  
STOMP THAT SHIT!!! (whoa)  
STOMP THAT SHIT!!! (whoa)  
STOMP THAT SHIT!!! (Don't fall shawty)  
(Repeat)
