You and me
Could easily be
Mmmmm, together endlessly
We'll be in love

We could find
Such a perfect state of mind
That to leave would be unkind
We'll be in love

If your heart is strong
Then we can't go wrong
Baby, can't you see

If your heart is strong
Then we can't go wrong
Ohhh baby, you and me

Wait and see
Said it's just like 1-2-3
In perfect harmony

If your heart is strong
Then we can't go wrong
Ohhh Baby, can't you see

If your heart is strong
Then we can't go wrong
Ohhh baby, you and me

You and me
Simply could easily be
Together endlessly

If your heart is strong
Then we can't go wrong
Ohhh baby, baby, baby, can't you see

If your heart is strong
Then we can't go wrong
Ohhh baby, you and me

If your heart is strong
Then we can't go wrong
Ohhh baby, can't you see

If your heart is strong
Then we can't go wrong
Ohhh baby, you and me
