i don't wanna see anotha man
touchin you and kissin you
i don't wanna see anotha man
holding you, and luvin you, caressin you, and strokin
you

i never thought that they would come
when you would turn, walk away
from the letter to a I once shared
we saw each other every day
but now i sit inside the tube
thinking all by my self
bout the rumors that you spendin your tyme
with sumbody else, I don't wanna see

i don't wanna see anotha man
touchin you and kissin you
i don't wanna see anotha man
holding you, and luvin you, caressin you, and strokin
you(2x)

i pray that what i heard aint true
cuz that would juss break my heart
its only been a couple of week
when you and i have been apart
now if it turns out to be true
just do a simple thing for me
juss keep you man out of my site
cuz, cuz, i dont, and,cuz, cuz, i don't wanna see

i don't wanna see anotha man
touchin you and kissin you
i don't wanna see anotha man
holding you, and luvin you, caressin you, and strokin
you(2x)

no i still love you
if by chance you do
juss one thing to do
let put away the past
and try to make it last

cuz you kno i am for real
this is how i feel
gyrl you kno the deal
i can't get over you, your my baby (chorus til end)
