And I really wanna sex your body(x3)
And I really wanna(x2)
And I really wanna sex your body(x2)

I knew from the moment that we met
that I'd be the one who'd get you wet
cause I can see passion in your eyes
and baby the eyes they never lie

You be callin me, callin me, callin me, tellin me that you
want my all
(and you know I'm on my way)
And you be pagin me, pagin me, pagin me whenever
you can't reach me by phone
(each and every day)
You be tellin me, tellin me, tellin me that you're nasty
and you got a lil freaky side
(so I jump right in my car)
You got me feinin, I'm feinin, I'm feinin, for body. You
can run but you can't hide
(cause I wanna be where you are)

And I really wanna sex your body(x3)
And I really wanna(x2)
And I really wanna sex your body(x2)

tonight
(repeat)

Now I hope you got an open mind
cause baby my love is one of a kind
do what you got to do to make it right
cause baby it's gonna be a long night

You be callin me callin me callin me tellin that you want
my all
(and you know I'm on my way)
And you be pagin me pagin me pagin me whenever
you, can't reach me by phone
(each and every day)
You be tellin me tellin me tellin that you're nasty and
you got a lil freaky side

(so I jump right in my car)
You got me feinin I'm feinin I'm feinin for body you can
run but you can't hide
(cause I wanna be where you are)

And I really wanna sex your body(x3)
And I really wanna(x2)
And I really wanna sex your body(x2)
tonight
(repeat)

I really wanna sex (your body) S-E-X your body
