I knew from the moment that we met that I be the one  
to get you wet cause I

can see the passion in your eyes and baby the eyes  
never lie

(chorus) (verse 1) and baby you be callin me callin me  
callin me tellin me

sex you on the phone (and you know I'm on my way)  
and you be pagin me pagin

me pagin me waitin for you (reachings everyday) and  
you be tellin me, tellin

me, tellin me, that you're nasty and you got a lil freak  
inside (so I jump right

in my car) then you got me feanin, feanin, feanin, I'm  
feanin girl for your body

you can run but you can't hide (cause I wanna be where  
you are) (verse 2) and I

really wanna sex your body (repeat 3x's) and I really  
wanna, and I really wanna,

and I really wanna sex your body, and I really wanna  
(repeat 2x's) and I really

wanna sex your body (repeat 2x's)

Now I hope you got an open mind, cause baby my love  
is one of a kind,

so whatcha gotta do to make it right, cause baby it's  
gonna be a long night

(chorus) (verse 1) repeat 3x's then repeat verse 2 2x's
