Link,  
He come town  
Come to save  
The princess zelda  
Ganon took her away  
Now the children don't play  
But they will when link saves the day hallijula  
Now link  
Fill up your hearts  
So you can shoot  
You sword with power  
And when your feeling all down  
The farey will come around  
So you be brave and not a sissy coward  
Now link have saved the day  
Put gannon in his grave  
Now that zelda is free and the hero shall be  
Link I think your name shall go down into history
