I don't know why I am here listening to you anymore  
I can't explain how I feel anymore  
Do you even love me anymore

{CHORUS} There is something crawling in the back of  
my head  
Saying why do I take this anymore  
There is something wrong and I can't take it any more  
x2

Can you tell me why I am here hearing things in the  
back of my head  
Listening to things I have never heard before  
Things I thought I never would hear I guess things aren't  
the same anymore

{CHORUS}

Who cares about me Who cares about you things just  
aren't the same anymore

{CHORUS}
