Ok what is it tonight?
Please just tell me what the hell is wrong!
Do you wanna eat, do you wanna sleep, do you wanna
shout!
Just settle down, settle down, settle down

Well I'll give you candy,
Give you diamonds,
Give you pearls,
I'll give you anything you want!
Hundred dollar bills
I'll even let you watch
The shows you wanna see
'Cause you marry me, marry me, marry me

I'm so sick of you tonight
You never stay awake when I get home
Something wrong with me! ?
Something wrong with you! ?
I really wish I knew, wish I knew, wish I knew

Well I'll give you candy,
Give you diamonds,
Give you pearls
I'll give you anything you want!
Hundred dollar bills
And now even let you watch
The shows you wanna see
'Cause you marry me, marry me, marry me

When I was young I played the game
That love and happiness were the same
Now I'm older and I don't play
I found out the hardest way

I got wasted
She got mad
She called me names then she called her dad
He got crazy and I did too
Wondering what I did to you

Well I'll give you candy,
Give you diamonds,
Give you pearls
I'll give you anything you want
Hundred dollar bills
And I'll even let you watch
The shows you wanna see
I'll do anything, anything, anything,
Anything, anything, anything, anything, anything...
