Riding with a head full of pockets of red
And what I said still stuck in my head
But misled
Thinking the things I do would make you never wanna
come back
But an all front attacks, you could never run from that
Being trapped in this with you, something that I never
wanted to do
But through it all you've got to see that where I want to
be
Is over the pen again letting it out of me
In the center of the day in the dream, seeing all my
thoughts
Getting lost in between, realizing one, not the way that
it seems
And the killing and the killer with a head full of screams

I wanna live in another place
Where no one can say that I live for them
(start seeing it's not meant to be for me)
I wanna be in the energy, not with the enemy
A place for my head

We're gonna be crushed when it all falls apart
Knowing no matter how low, hoping that you won't know
The strain it puts to me, seeing what you've done
And consequently I've run away, just hidden again
Within the boundaries of an anguish
Don't want me to say this, but you're dragging me
down
Lost in the chaos being tossed around

Singing again to myself, a head full of hectic
Hope that some day you'll regret this
Everything's the wrong place, the wrong time
Adding to the panic of my confine

Singing again to myself, a head full of hectic
Hope that some day you'll regret this
Everything's the wrong place, the wrong time
Adding to the panic of my confine

I wanna live in another place
Where no one can say that I live for them
(start seeing it's not meant to be for me)
I wanna be in the energy, not with the enemy
A place for my head

You
Try to take the best of me
Go away

You
Try to take the best of me
Go away

You
Try to take the best of me
Go away

You
Try to take the best of me
GO AWAY!

You
Try to take the best of me
go away!

You
Try to take the best of me
go away!

You
Try to take the best of me
go away!

You
Try to take the best of me
go away!

I wanna live in another place
Where no one can say that I live for them
(start seeing it's not meant to be for me)
I wanna be in the energy, not with the enemy
A place for my head

Shut... up... QUIET!!!

Singing again to myself, a head full of hectic
Hope that some day you'll regret this
Everything's the wrong place, the wrong time
Adding to the panic of my confine

Singing again to myself, a head full of hectic
Hope that some day you'll regret this

Everything's the wrong place, the wrong time
Adding to the panic of my confine
