(This is not a Linkin Park song, it is in here because it features two members of Linkin Park and there is no section for the lyrics of the X-Ecutiioners)

Watch them flee  
Watch them flee  
Watch them flee  
Hip-Hop hits  
And you do it like this

It's going down  
The rhythm projects 'round the next sound  
Reflects the complex hybrid dialect now  
Detect the mesh of many elements compressed down  
The melting pot of a super-futuresque style  
The combination of a vocal caress  
With lungs that gasp for breath  
From emotional stress  
With special effects  
And a distorted collage  
Carefully lodged between beats of rhythmic barrage

It's going down  
A logical progression on the timeline  
The separation narrowed down to a fine line  
To blur the edges so they blend together properly  
Take you on an audible odyssey now  
It's going down

A logical progression on the timeline  
The separation narrowed down to a fine line  
To blur the edges so they blend together properly  
Take you on an audible odyssey now  
It's going down

It's going down

It's going down  
Once again it is  
Composed sentences all together venomous  
The four elements of natural force

Projected daily through the sound of the source  
Everybody on board with this blend  
The sword with the pen  
The mightiest is the weapons  
Swinging right from the chin  
The elevate of mental states  
Long gone with the wind  
To defend men for shoddy imitation pretends  
It's going down  
Style assimilation readily  
Trekking through the weaponry  
Of the pure pedigree  
Cleverly seeing through whatever is ahead of me  
Whatever the weather be  
We invent the steadily  
It's going down to sub-terrestrial high  
I rhyme regiment that's calling the shots  
Execution of collaborative plots  
Ready to bring the separation of style to a stop  
It's going down

A logical progression on the timeline  
The separation narrowed down to a fine line  
To blur the edges so they blend together properly  
Take you on an audible odyssey  
Now, it's going down

It's going down

It's going down

X-men 'bout to blast off world wide  
X-men 'bout to blast off world wide  
X-men 'bout to blast off world wide  
X-men 'bout to blast off world wide  
And you do it like this  
'Bout to blast off world wide

It's going down

It's going down
