"Let Down"

And the tears fall like rain
Down on my face again
Oh the words you wouldn't say
And the games you played
With my unfoolish heart
Oh I should have known this from the start

Oh the winter and spring
Going hand in hand
Just like my love and pain
How the thought of you cuts deep within the vain
Oh this brand new skin stretched across scared terrain

I don't wanna be let down
I don't wanna live my life again
Don't wanna be lead down the same old road
So I don't wanna be let down
I don't wanna live my lies again
Don't wanna be lead down the same old road

Oh...

All those years down the drain
Love was not enough when you want everything
What I gave to you and now the end must start
Oh I should have listened to my heart

'Cause I don't wanna be let down
I don't wanna live my life again
Don't wanna be lead down the same old road
So I don't wanna be let down
I don't wanna live my lies again
Don't wanna be lead down the same old road

Oh...

I don't wanna be let down
I don't wanna live my life again
Don't wanna be lead down the same old road
So I don't wanna be let down
I don't wanna live my lies again

Don't wanna be lead down the same old road
