This is my December,
This is my time of the year
This is my december
This is all so clear
(just wish that I didn't feel like it was something I had I
missed x's 2)
This is my december
This is my snow covered home
This is my December
This is me alone
And I
(just wish that I didn't feel like it was something I had
missed)
And I
(take back all the things I said to make you feel like
that)
And I
(just wish that I didn't feel like it was something I had
missed)
And I
(take back all the things that I said to you.)
And I'd give it all away, just to have somewhere to go to
Give it all away, to have someone to come home to
This is my december, these are my snow covered trees
This is me pretending
This is all I need
And I
(just wish that I didn't feel like it was something I had
missed)
And I
(take back all the things I said to make you feel like
that)
And I
(just wish that I didn't feel like it was something I had
missed)
And I
(take back all the things that I said to you)
And I'd give it all away, just to have somewhere to go to
Give it all away, to have someone to come home to
This is my december, this is my time of the year,
This is my december, this is all so clear

Give it all away, just to have somewhere to go to,
Give it all away, to have someone come home to

(repet until the end)
