I cannot take this anymore
Saying everything I've said before
All these words they make no sense
I find bliss in ignorance
Less I hear the less you'll say
You'll find that out anyway

Just like before...

[Chorus:]

Everything you say to me
Takes me one step closer to the edge
And I'm about to break
I need a little room to breathe
Cause I'm one step closer to the edge
I'm about to break

I find the answers aren't so clear
Wish I could find a way to disappear
All these thoughts they make no sense
I find bliss in ignorance
Nothing seems to go away
Over and over again

Just like before...

Everything you say to me
Takes me one step closer to the edge
And I'm about to break
I need a little room to breathe
Cause I'm one step closer to the edge
And I'm about to break

These are the places that I can feel, torn from my body,
my flesh it peels. During this ride we can cut up what
we like. Waiting alone i cannot resist, feeling this hate i
have never missed. Please someone give me a reason
to peel off my face

Blood it is pouring[4x]

Shut up when I'm talking to you
Shut up, shut up, shut up
Shut up when I'm talking to you
Shut up, shut up, shut up, shut up

I'm about to BREAK

[Chorus]

Everything you say to me
Takes me one step closer to the edge
And I'm about to break
I need a little room to breathe
Cause I'm one step closer to the edge
And I'm about to break
