Forfeit the game before somebody else
Takes you out of the frame and puts your name to
shame
Cover up your face you can't run the race
The pace is too fast you just won't last
You love the way I look at you
While taking pleasure in the awful things you put me
through
You take away if I give in
My life, my pride is broken
You like to think you're never wrong
You want to act like you're someone
You want someone to hurt like you
You want to share what you've been through
You live what you learn
You love the things I say I'll do
The way I'll hurt myself again just to get back at you
You take away when I give in
My life, my pride is broken
You like to think you're never wrong
You want to act like you're someone
You want someone to hurt like you
You want to share what you've been through
(You live what you learn)
Forfeit the game before somebody else
Takes you out of the frame and puts your name to
shame
Cover up your face you can't run the race
The pace is too fast you just can't last (x2)
You like to think you're never wrong
You want to act like you're someone
You want someone to hurt like you
You want to share what you've been through
You live what you learn (x3)
