Forfeit the game, stop the talk show.  
Product of what, your taught to know.  
Forfeit the game, 'cause tomorrow  
When it's all done, you reap what you sow.

You love the way, I look at you  
While taking pleasure in the awful things you put me  
through  
You take away, if I give in, my life, my pride is broken

You like to think you're never wrong (You live what  
you've learnt)  
You have to act like you're so much (You live what  
you've learnt)  
You want someone to hurt like you (You live what you've  
learnt)  
You want to share what you've been through (You live  
what you've learnt)

You love the things, I say I do  
The way I hurt myself again just to get back at you  
You take away, when I give in, my life, my pride is  
broken

You like to think you're never wrong (You live what  
you've learnt)  
You have to act like you're so much (You live what  
you've learnt)  
You want someone to hurt like you (You live what you've  
learnt)  
You want to share what you've been through (You live  
what you've learnt)

Yo yo!
