Listen to me baby  
I'll tell ya  
How i love you  
Well you could  
Throw me in the ocean  
I'd swim to the bank  
And crawl  
Right home to you (yeah)

Ain't that lovin' ya baby (5x)  
But you don't even know  
My name

Ain't that lovin' ya baby (5x)  
But you don't even know  
My name  
They may kill me baby  
They do  
You can bury my body  
Way down deep  
Bbut my spirit  
Will rise to you (yeah)

Ain't that lovin' ya baby (5x)  
But you don't even know  
My name

But you don't even know  
My name  
But you don't even know  
My name
