You know I love you babe
You know I love you babe
You know I love you babe
But you don't even know my name
Let me tell you baby
I'll tell you what I'm gonna do
I would rob, steal, kill somebody
Just to get back home to you
Ain't that lovin' you baby
Ain't that lovin' you baby
Ain't that lovin' you baby
But you don't even know my name

Let me tell you baby
Don't sound like it's true
They could dump me in the ocean
I would swim to the bank
And crawl home to you
Ain't that lovin' you baby
Ain't that lovin' you baby
Ain't that lovin' you baby
But you don't even know my name

They may kill me baby
Burry me just like they do
My body might lie, but my spirit's gonna rise
And come home to you
Ain't that lovin' you baby
Ain't that lovin' you baby
Ain't that lovin' you baby
But you don't even know my name
