Blue eyes  
Where are you going?  
Don't run away  
You know  
That I still love you  
Blue eyes  
Don't run away

Blue eyes  
I didn't mean to hurt you  
When I was out last night  
You know  
That I still love you  
Blue eyes  
Don't run away

Come, come back to me  
'Cause I still love you  
Come, come back to me  
And I'll make it up to you

[Chorus:]  
Blue eyes  
You're my only love  
Yes, I was so true to you  
You know  
That I still love you  
Blue eyes  
Don't run away

[Repete 3 estrofe]

[Chorus]

Blue eyes, don't run away  
Blue eyes, don't run-a  
Blue eyes, don't run-a  
Blue eyes, don't run away
