If you go
In the north country far
Where the winds beat
Heavy on the borderline
Remember me to the one
Who lives there
She once
Was a true love of mine

If you go
When the snowflakes storm
Where the rivers freeze
As the summer ends
Please see
That she has
A coat so warm
To keep her
From the howling wind

Please see
That her hair hangs long
It rolls
Flows all down her dress
Please see for me

That her hair's hanging long
For that's the way
I remember her best

I'm wonderin'
If she remembers me at all
Many times
I've hoped and prayed
In the darkness of my night
In the brightness of my day

If you're travellin'
In the north
The north country far
Where the winds beat
Heavy on the borderline
Remember me to the one

Who lives there
She once was
A true love of mine
