(I'm about to break
I need a little room to breathe
'Cause I'm one step closer to the edge
And I'm about to break)

I'm about to break
This room to breathe
This room to breathe
This room to breathe

I cannot take this anymore
Saying everything I said before
All these words they make no sense
I've found bliss in ignorance
Less I hear, the less you say
You'll find that out anyway

I find the answers aren't so clear
Wish I could find a way to disappear
All these thoughts they make no sense
I've found bliss in ignorance
Nothing seems to go away
Over and over again

just like before...

Everything you say to me!
And I'm about to break!
I need a little room to breathe!
I'm about to break!
Everything you say to me!
And I'm about to break!
I need a little room to breathe!
And I'm about to
Break!

(JOHN DAVIS:
These are the places where I can feel torn from my
body
My flesh, it peels during this ride we can cut up what we
like)

I'm about to break

(JOHN DAVIS:

Waiting alone, I cannot resist

Feeling this hate, I have never missed

Please, someone, give me a reason to rip off my face

Blood is a pouring

And pouring

And pouring

And pouring

And pouring

And pouring

And pouring

And pouring

And pouring

And pouring)

Shut up when I'm talking to you

Shut up

(JOHN DAVIS: Blood is pouring)

Shut up

(JOHN DAVIS: Blood is pouring)

Shut up

(JOHN DAVIS: Blood is pouring)

Shut up when I'm talking to you

Shut up

(JOHN DAVIS: Blood is pouring)

Shut up

(JOHN DAVIS: Blood is pouring)

Shut up

(JOHN DAVIS: Blood is pouring)

Shut up

I'm about to break

Everything you say to me

And I'm about to break

I need a little room to breathe

And I'm about to break

Everything you say to me

And I'm about to break

I need a little room to breathe

And I'm about to

Everything you say to me

Takes me one step closer to the edge

And I'm about to break

I need a little room to breathe

'Cause I'm one step closer to the edge

And I'm about to break

Everything you say to me
Takes me one step closer to the edge
And I'm about to break
I need a little room to breathe
'Cause I'm one step closer to the edge
And I'm about to
