I watch how the moon sits in the sky of a dark night
Shining with the light from the sun
But the sun doesn't give the light to the moon
assuming,
The moon's gonna owe it one
It makes me think of the how you act me,
You do favors then rapidly,
You just turn around and start asking me,
About things that you want back from me

I'm sick of the tension
Sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to rest

I wanna be in another place
I hate when you say you don't understand
(You'll see it's not meant to be)
I wanna be in the energy
Not with the enemy
A place for my head

Maybe some day I'll be just like you and,
Step on people like you do
Run away all the people I thought I knew
I remember back then who you were
You used to be calm used to be strong
Used to be generous but you should've known
That you wear out your welcome
Not to see how quiet it is all alone

I'm so sick of the tension
Sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to rest

I'm so sick of the tension
Sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed

While I find a place to rest

I wanna be in another place
I hate when you say you don't understand
(You'll see it's not meant to be)
I wanna be in the energy
Not with the enemy
A place for my head

You try to take the best of me, go away
You try to take the best of me, go away
You try to take the best of me, go away
You try to take the best of me, GO AWAY!

You try to take the best of me, go away
You try to take the best of me, go away
You try to take the best of me, go away
You try to take the best of me, GO AWAY!

I wanna be in another place
I hate when you say you don't understand
(You'll see it's not meant to be)
I wanna be in the energy
Not with the enemy
A place for my head

SHUT!
UP!
WHYYYYYYY! ?

I am so sick of the tension
Sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place to rest

I am so sick of the tension
Sick of the hunger
Sick of you acting like I owe you this
Find another place to feed your greed
While I find a place... to... rest
