In this farewell,  
there's no blood,  
there's no alibi  
because I've drawn regret,  
from the truth,  
of a thousand lies,  
so let mercy come,  
and wash away,

Chorus:  
What I've Done  
I'll face myself  
to cross out what I've become  
erase myself  
and let go of  
what I've done

put to rest,  
what u thought of me  
While I clean this slate,  
with the hands of uncertainty  
so let mercy come and wash away

Chorus:  
What I've Done  
I'll face myself  
to cross out what I've become  
erase myself  
and let go of  
what I've done

For what I've done  
i start again  
and what ever pain may come  
today this ends  
I'm forgiving

Chorus:  
What I've Done  
I'll face myself  
to cross out what I've become

erase myself  
and let go of  
what I've done

what I've done  
forgiving what I've done
