Ok what is it tonight?  
Please just tell me what the hell is wrong!  
Do you wanna eat, do you wanna sleep, do you wanna  
shout!  
Just settle down, settle down, settle down

Well I'll give you candy,  
Give you diamonds,  
Give you pearls,  
I'll give you anything you want!  
Hundred dollar bills  
I'll even let you watch  
The shows you wanna see  
?Cause you marry me, marry me, marry me

I'm so sick of you tonight  
You never stay awake when I get home  
Something wrong with me!?  
Something wrong with you!?  
I really wish I knew, wish I knew, wish I knew

Well I'll give you candy,  
Give you diamonds,  
Give you pearls  
I'll give you anything you want!  
Hundred dollar bills

And now even let you watch  
The shows you wanna see  
?Cause you marry me, marry me, marry me

When I was young I played the game  
That love and happiness were the same  
Now I'm older and I don't play  
I found out the hardest way

I got wasted  
She got mad  
She called me names then she called her dad  
He got crazy and I did too

Wondering what I did to you

Well I'll give you candy,  
Give you diamonds,  
Give you pearls  
I'll give you anything you want  
Hundred dollar bills  
And I'll even let you watch  
The shows you wanna see  
I'll do anything, anything, anything,  
Anything, anything, anything, anything, anything...
