Ok what is it tonight
Please just tell me what the hell is wrong
Do you wanna eat
Do you wanna sleep
Do you wanna shout
Just settle down, settle down, settle down

Well I'll give you candy
Give you diamonds
Give you pills
Iã, 'll give you anything you want
Hundred dollar bills

And I'll even let you watch the shows you wanna see
Just marry me, marry me, marry me

Iã, 'm so sick of you tonight
You never stay awake when I get home
Is Something wrong with me
Somethings wrong with you
I really wish I knew, wish I knew, wish I knew

Well I'll give you candy
Give you diamonds
Give you pills
Iã, 'll give you anything you want
Hundred dollar bills

And I'll even let you watch the shows you wanna see

Because you married me, married me, married me

When I was young I played a game
That love and happiness were the same
Now Iã, 'm older and I donã, 't play
And I found out the hardest way

I got wasted
She got mad
She called me names then she got her dad
He got crazy and I did too
Wond'ring what I did to you

Well I'll give you candy,
Give you diamonds,
Give you pills,
I'll give you anything you want
Hundred dollar bills

And I'll even let you watch the shows you wanna see
I'll do anything, anything, anything,
Anything, anything, anything, anything, anything...
