Linkin Park - Body Crumbles

finally recover when the mood is right
looking up in to the new neon sky
the child in me takes over
guess its been too long
since the last time that i tried to fly

finally i fly
when i lose control
inside my body crumbles
its like therapy
for my broken soul
inside my body crumbles

all i need is a moment
just get away
from the stress of this of everyday
no final question
and it never doubt
everything is gonna be ok

finally i fly
when i lose control
inside my body crumbles
its like therapy
for my broken soul
inside my body crumbles

its so good to be myself
(dont know if ill be alright now)
(i dont know if ill be alright now)
ill never have to hide
(dont know if ill be alright now)
try to hit back
(dont know if ill be alright now)
(dont know if ill be alright now)
(all i know is)
its alright

finally i fly

when i lose control
inside my body crumbles
its like therapy
for my broken soul
inside my body...

finally i fly
when i lose control
inside my body crumbles
its like therapy
for my broken soul
inside my body crumbles
