Everyday I away go
Sorry don't I mean
See seams so different
But I can days in stand

[refrÃ£o]
Yeah
Broken Glass
And die my pride
For my swear
Broken Glass
And come in the snow
Scare for the that sky

I most in day so fell run again
Safe to most in hurt this is
Is not to hold like to splode you
I've cry why you stay away

[refrÃ£o][2x]
Yeah
Broken Glass
And die my pride
For my swear
Broken Glass
And come in the snow
Scare for the that sky

Yeah
Yeah, Yeah
