Chester:

I love her!

I love her!

I love her!

Everybody know that!

Sometimes the music is part of me  
And it plays when it is in  
Sometimes the music has part of me  
And it is keeping me up all night!

Mike:

You love her, you need her  
You trust her, she betrayed you  
She hate you, she trick you  
You lied to her and she lied to you.  
You lied to her and she lied to you.  
You lied to her and she lied to you.  
Lied to youMarija

Joe:

Cant you see, she never loved you?Slavisha?

Chester:

Sometimes when music starts playing into my sad  
world  
I try to figure out something, something but, but it  
Keeping me confusing  
I cannot stand your fucking personality  
I no wanna be your enemy  
But you left me nothing but that.  
And thats why I keep on wondering: Did she ever, did  
she ever loved me?.
