It's easier to run  
Replacing this pain with something numb  
It's so much easier to go  
Than face all this pain here all alone

Something has been taken from deep inside of me  
The secret I've kept locked away, no one can ever see  
Wounds so deep, they never show, they never go away  
Like moving pictures in my head, for years and years  
they've played

If I could change, I would, take back the pain, I would  
Retrace every wrong move that I made, I would  
If I could stand up and take the blame, I would  
If I could take all the shame to the grave, I would

If I could change, I would, take back the pain, I would  
Retrace every wrong move that I made, I would  
If I could stand up and take the blame, I would  
I would take all my shame to the grave

It's easier to run  
Replacing this pain with something numb  
It's so much easier to go  
Than face all this pain here all alone

Sometimes I remember the darkness of my past  
Bringing back these memories, I wish I didn't have  
Sometimes I think of letting go and never looking back  
And never moving forward so there'd never be a past

If I could change, I would, take back the pain, I would  
Retrace every wrong move that I made, I would  
If I could stand up and take the blame, I would  
If I could take all the shame to the grave, I would

If I could change, I would, take back the pain, I would  
Retrace every wrong move that I made, I would  
If I could stand up and take the blame, I would  
I would take all my shame to the grave

Just washing it aside

All of the helplessness inside  
Pretending I don't feel misplaced  
It's so much simpler than change

It's easier to run  
Replacing this pain with something numb  
It's so much easier to go  
Than face all this pain here all alone

(It's easier to run)  
If I could change, I would take back the pain, I would  
Retrace every wrong move that I made  
(It's easier to go)  
If I could change, I would, take back the pain, I would

Retrace every wrong move that I made, I would  
If I could stand up and take the blame, I would  
I would take all my shame to the grave
