With a taste of your lips
I'm on a ride
You're toxic
I'm slipping under
With a taste of poison paradise
I'm addicted to you
Don't you know that you're toxic
I am a little bit of loneliness, a little bit of disregard
Handful of complaints but I can't help the fact
That everybody can see these scars
I am what I want you to want, what I want you to feel
But it's like no matter what I do, I can't convince you
To just believe this is real
So I, let go watching you turn your back like you always
do
Face away and pretend that I'm not
But I'll be here cause you're all that I've got

With a taste of your lips
I'm on a ride
You're toxic
I'm slipping under
With a taste of poison paradise
I'm addicted to you
Don't you know that you're toxic

I am, a little bit insecure, a little unconfident
'cause you don't understand I do what I can
Sometimes I don't make sense
I am, what you never wanna say, but I've never had a
doubt
It's like no matter what I do I can't convince you for
once just to hear me out
So I, let go watching you turn your back like you always
do
You face away and pretend that I'm not
But I'll be here cause you're all that I've got

With a taste of your lips
I'm on a ride
You're toxic
I'm slipping under

With a taste of poison paradise
I'm addicted to you
Don't you know that you're toxic

Intoxicate me now
With your lovin' now
I think I'm ready now
I think I'm ready now
Intoxicate me now
With your lovin' now
I'm ready now

With a taste of your lips
I'm on a ride
You're toxic
I'm slipping under

Intoxicate me now
With your lovin' now
I think I'm ready now
I think I'm ready now
Intoxicate me now
With your lovin' now
I'm ready now
Don't turn your back on me I won't be ignored
