well i thought i new you
thinkin that you were true guess i
couldnt trust called your bluff time is up cuz ive had
enough
you where there by my side
always down 4 the ride but yor joy ride justcame down
in flames
cuz your greed sold me out in shame

after all of the steeling and cheeting
youll probably think that hold resentment for you
but oh oh, your wrong
cuz if it wasnt for all that you tried to do
i wouldnt no,
just not capable i am to pull through
so i wanna say that you cuz it

CHORUS

makes me that much stronger
makes me work a little bit harder
makes me that much wiser
so thaks for making me fighter
maybe learn a little bit faster
made my skin a little bit thicker
makes me that much smarter
thanks for making me fighter

never saw it coming
all your backstabbing
just so you could cash in on a good thing
before i realized your game
i heard your going round playin
the victim now
but dont even begin feeling im the one to blame
cuz u dug your own graveafter all of the fightes and
the lies
cuz your wantin to haunt me
but that wont work anymore
uh uh it over
cuz if it want for all of your torture
i wouldnt no how, to be this way now,

and never back down
so i wanna say that you, cuz it

CHORUS

makes me that much stronger
makes me work a little bit harder
makes me that much wiser
so thaks for making me fighter
maybe learn a little bit faster
made my skin a little bit thicker
makes me that much smarter
thanks for making me fighter

how could this man i thought i no turn out 2 be unjust
so cruel could only see the good in you
pretended not to see the truth
you tried to hide you lies duisgise you
