Nothing ever stops all these thoughts
And the pain attached to them
Sometimes I wonder why this is happening
It's like nothing I can do will distract me when

I think of how I shot myself in the back again
'Cause from the infinite words I could say
Put all the pain you gave to me on display
But didn't realize, instead of setting it free
I took what I hated and made it part of me

It never goes away
It never goes away

And now you've become a part of me, you'll always be
right here
You've become a part of me, you'll always be my fear
I can't separate myself from what I've done
Giving up a part of me I've let myself become you

Hearing your name the memories come back again
I remember when it started happenin'
I'd see you in every thought I had and then
The thoughts slowly found words attached to them

And I knew as they escaped away
I was committed myself to them
And every day I regret sayin' those things 'cause now I
see
That I took what I hated and made it a part of me

It never goes away
It never goes away

And now you've become a part of me, you'll always be
right here
You've become a part of me, you'll always be my fear
I can't separate myself from what I've done
Giving up a part of me I've let myself become you

It never goes away
It never goes away

It never goes away
It never goes away

Get away from me, gimme my space back
You gotta just go
Everything comes down to memories of you
I've kept it in but now I'm letting you know
I've let you go, so get away from me

Get away from me, gimme my space back
You gotta just go
Everything comes down to memories of you
I've kept it in but now I'm letting you know
I've let you go, so get away from me

And now you've become a part of me, you'll always be
right here
You've become a part of me, you'll always be my fear
I can't separate myself from what I've done
Giving up a part of me I've let myself become you

I've let myself become you
I've let myself become lost inside these thoughts of
you
Giving up a part of me I've let myself become you
