Waking in a sweat again
Another day's been laid to waste
In my disgrace

Stuck in my head again
Feels like I'll never leave this place
There's no escape
I'm my own worst enemy

I've given up
I'm sick of feeling
Is there nothing you can say?

Take this all away
I'm suffocating!
Tell me what the heck is
Wrong with me?

I don't know what to take
Thought I was focused but I'm scared
I'm not prepared

I hyperventilate
Looking for hope somehow somewhere
And no one cares

I'm my own worst enemy

I've given up
I'm sick of feeling
Is there nothing you can say?

Take this all away
I'm suffocating!
Tell me what the heck is
Wrong with me?
God!

Put me out of my misery
Put me out of my misery
Put me out of my
Put me out of my ***** misery!

I've given up
I'm sick of feeling
Is there nothing you can say?

Take this all away
I'm suffocating!
Tell me what the heck is
Wrong with me?
