Will you, walk me to the edge again?
Shaking, lonely, and I am drinking again
Woke up tonight and no one's here with me
I'm getting high.. tonight..

Take me higher
I'm getting high tonight
I'm smoking again
I'm getting high tonight
Watch me light up
I'm getting high tonight
I'm smoking again
I'm getting high tonight

Caught up, in life
Losing all my friends
Family has tried, to heal all my addictions
Tragic it seems, to be alone again
I'm getting high ... tonight

Take me higher
I'm getting high tonight
I'm smoking again
I'm getting high tonight
Watch me light up
I'm getting high tonight
I'm smoking again
I'm getting high tonight

I look forward, to flying tonight
Drink till i'm myself, life's harder every day
The stress has got me
light it..
light it..
light it up now!

Take me higher
(I'm killing all the pain)
I'm smoking again
(I'm sick of all this day)
Watch me light up
(I'm killing all the pain)

I'm geting high tonight

I'm geting high tonight

Take me higher

I'm geting high tonight

I'm smoking again

I'm geting high tonight

Take me higher

I'm geting high tonight

I'm smoking again

I'm giving in to you
