Your circling, your circling, you're circling, your circling
your head.

Contemplating everything you ever said.

Now I see the truth, I got a doubt.

I get the motive in your eyes and now I'm out, see you
later.

I see your fantasy, you want to make it a reality paved
in gold.

See inside, inside of our heads.

Yeah. Er, well now that's over. It's over.

I see your motives inside, and your decisions in mind.

Chorus

WHOA!!!

Back off, I'll take you on. Headstrong, can take on
anyone.

I know that you are wrong, Headstrong, Headstrong.

Back off, I'll take you on. Headstrong can take on
anyone.

I know that you are wrong and this is not where you
belong.

I can't give everything away...

And I won't give everything away!

Conclusions manifest,

Your first impression's got to be your very best,

I see you're full of \$hit and that's all right,

It's how you play and guess who gets there every night,

Well now that's over...

I see your fantasy, you want to make it a reality paved
in gold.

See inside, inside of our heads.

Yeah. Er, well now that's over. It's over.

I see your motives inside, and your decisions in mind.

Chorus

WHOA!!!

Back off, I'll take you on. Headstrong, can take on
anyone.

I know that you are wrong, Headstrong, Headstrong.

Back off, I'll take you on. Headstrong, can take on

anyone.
I know that you are wrong and this is not where you
belong.
I can't give everything away...
And I won't give everything away!

I know, I don't wanna hurt you.
I know, I don't wanna hurt you.

see your motives inside, and your decisions in mind.

Chorus

WHOA!!!

Back off, I'll take you on. Headstrong, can take on
anyone.

I know that you are wrong, Headstrong, Headstrong.
Back off, I'll take you on. Headstrong, can take on
anyone.

I know that you are wrong and this is not where you
belong.

I can't give everything away...
And I won't give everything away!
