I cannot take this anymore
I'm saying everything I've said before
All these words they make no sense

I found bliss in ignorance
Less I hear the less you'll say
But you'll find that out anyway
Just like before

Everything you say to me
Takes me one step closer to the edge
And I'm about to break
I need a little room to breathe
'Cause I'm one step closer to the edge
And I'm about to break

I find the answers aren't so clear
Wish I could find a way to disappear
All these thoughts they make no sense

I found bliss in ignorance
Nothing seems to go away
Over and over again
Just like before

Everything you say to me
Takes me one step closer to the edge
And I'm about to break
I need a little room to breathe
'Cause I'm one step closer to the edge
And I'm about to break

Everything you say to me
Takes me one step closer to the edge
And I'm about to break
I need a little room to breathe
'Cause I'm one step closer to the edge
And I'm about to break

Shut up when I'm talking to you
Shut up, shut up, shut up
Shut up when I'm talking to you

Shut up, shut up, shut up, shut up

I'm about to break

Everything you say to me
Takes me one step closer to the edge
And I'm about to break
I need a little room to breathe
'Cause I'm one step closer to the edge
And I'm about to break

Everything you say to me
Takes me one step closer to the edge
And I'm about to break
I need a little room to breathe
'Cause I'm one step closer to the edge
And I'm about to break
