Let me apologize to begin with  
Let me apologize for what I'm about to say

But trying to be genuine was harder than it seemed  
But somehow I got caught up in between

Let me apologize to begin with  
Let me apologize for what I'm about to say

But trying to be someone else was harder than it  
seemed  
And somehow I got caught up in between

*[Chorus]*

Between my pride and my promise  
Between my lies and how the truth gets in the way

And things I want to say to you get lost before they  
come

The only thing that's worse than one is none

*[End Chorus]*

Let me apologize to begin with  
Let me apologize for what I'm about to say

But trying to regain your trust was harder than it  
seemed  
But somehow I got caught up in between

*[Chorus]*

Between my pride and my promise  
Between my lies and how the truth gets in the way

The things I want to say to you get lost before they  
come

The only thing that's worse than one is none

The only thing that's worse than one is none

*[End Chorus]*

And I cannot explain to you  
And anything I say or do or plan

Fear is not afraid of you  
But guilt's a language you can understand

I cannot explain to you  
And anything I say or do  
I hope the actions speak the words they can

*[Chorus]*

For my pride and my promise  
For my lies and how the truth gets in the way

The things I want to say to you get lost before they  
come  
The only thing that's worse is

Pride and my promise  
Between my lies and how the truth gets in the way

The things I want to say to you get lost before they  
come  
The only thing that's worse than one is none  
The only thing that's worse than one is none  
The only thing that's worse than one is none  
*[End Chorus]*
