LINKIN PARK - Easier To Run

It's easier to run
Replacing this pain with something numb
Its so much easier to run
Replace all this pain here all alone

Something has been taken from deep inside of me
The secret Ive kept locked away where one could never
see
moved so deep, never show,
They never go away
Like moving pictures in my head
For years and years they've played

[Mikes part]
If I could change I would
Take out the pain I would
Retrace every wrong move that I made I would
If I could stand up and take the blame I would
If I could take all the shame to the grave I would
If I could change I would
Take out the pain I would
Retrace every wrong move that I made I would
If I could stand up and take the blame I would
I would take all the shame to the grave

It's easier to run replacing this pain with something
good
Its so much easier to go
Then face all this pain here all alone

Some things I remember but thought the soul bypassed
Bringing back these memories I wish I didnt have
Sometimes I think Im letting go and never looking back
And never moving forward so there'd never be a past

[Mikes part]
If I could change I would
Take all the pain I would
Retrace every wrong move that I made I would

If I could stand up and take the blame I would
If I could take all the shame to the grave I would
If I could change I would
Take all the pain I would
Retrace every wrong move that I made I would
If I could stand up and take the blame I would
I would take all my shame to the grave

Just washing it aside
All of the helplessness inside
Pretending I dont feel misplaced
Is so muc
