LINKIN PARK - Easier To Run

It's easier to run  
Replacing this pain with something numb  
Its so much easier to run  
Replace all this pain here all alone

Something has been taken from deep inside of me  
The secret Ive kept locked away where one could never  
see  
moved so deep, never show,  
They never go away  
Like moving pictures in my head  
For years and years they've played

[Mikes part]  
If I could change I would  
Take out the pain I would  
Retrace every wrong move that I made I would  
If I could stand up and take the blame I would  
If I could take all the shame to the grave I would  
If I could change I would  
Take out the pain I would  
Retrace every wrong move that I made I would  
If I could stand up and take the blame I would  
I would take all the shame to the grave

It's easier to run replacing this pain with something  
good  
Its so much easier to go  
Then face all this pain here all alone

Some things I remember but thought the soul bypassed  
Bringing back these memories I wish I didnt have  
Sometimes I think Im letting go and never looking back  
And never moving forward so there'd never be a past

[Mikes part]  
If I could change I would  
Take all the pain I would  
Retrace every wrong move that I made I would

If I could stand up and take the blame I would  
If I could take all the shame to the grave I would  
If I could change I would  
Take all the pain I would  
Retrace every wrong move that I made I would  
If I could stand up and take the blame I would  
I would take all my shame to the grave

Just washing it aside  
All of the helplessness inside  
Pretending I dont feel misplaced  
Is so muc
