[Woman]

[Intro]

I knew I was being threatened
Do you think it was worth holding out?
I mean I've heard some pretty ugly things about those
guys
Ugly stories

[X-ecutioners]

Watch them flee...watch them flee
Rap rap rap up
Watch them flee
Hip-Hop hits
And you do it like this

[Mike Shinoba]

[Verse 1]

It's going down
The rhythm projects 'round the next sound
Reflects the complex hybrid dialect now
Detects the mesh of many elements compressed down
The melting pot of a super-futureesque style
The combination of vocal caress
With lungs the gasp for breath
From emotional stress
With special effects
And a distorted collage
Carefully lodged between beats of rhythmic barrage
It's going down
The logical progression on the timeline
The separation narrowed down to a fine line
To blur the edges so they blend together properly
Take you on an audible odyssey
Now it's going down
A logical progression on the timeline
The separation narrowed down to a fine line
To blur the edges so they blend together properly
Take you on an audible odyssey
Now it's going down

[X-ecutioners with Mike Shinoba]

[Chorus]

Put put...put it up
I said it goes like this
And you do it like this
It's going down
Put put...put it up
I said it goes goes like this
And you do it like this
It's going down

[Mike Shinoba]

[Verse 3]

Once again it is
Composed sentences
All together venomous
The four elements of natural force
Projected daily through the sound of the source
Everybody on board as we blend
The sword with the pen
The mightiest the weapons
Swinging right from the chin
To elevate of mental states
Long gone with the wind
To defend men from shoddy imitation pretends
It's going down
Stalence emulation readily
Trekking through the weaponry
Of the pure pedigree
Cleverly seeing through whatever is ahead of me
Whatever the weather be
We invent the steadily
It's going down sub-terrestrial high
I rhyme regiment that's calling the shots
Exectution of colloborative plots
Ready to bring the seperation of style to a stop

A logical progression on the timeline
The seperation narrowed down to a fine line
To blur the edges so they blend together properly
Take you on an audible odyssey
Now it's going down

[X-ecutioners with Mike Shinoba]

[Chorus]

Put put...put it up
I said it goes like this
And you do it like this
It's going down
Put put...put it up
I said it goes like this
And you do it like this

It's going down

[X-ecutioners]

X-men 'bout to blast off world wide

Yo it's a request only

X-men 'bout to blast off world wide

It's built from scratch

Album in stores soon

'Bout to blast off world wide

And you do it like this

Just like this

[X-ecutioners]

Put put...put it up

I said it goes like this

And you do it like this

It's going down

Put put...put it up

I said it goes like this

And you do it like this

It's going down

[X-ecutioners, Mike Shinoba]
