Uh, uh, jigga what?  
Uh, uh, jigga who?  
Uh, uh, jigga what?  
Uh, uh, jigga who?  
Uh, uh, jigga what?  
You gon' need a vocal in, right?

Motherfuckers wanna act loco, hit 'em up, numerous  
Shots with the fo'-fo'  
Faggots wanna talk to po-po's, smoke 'em like cocoa  
Fuck rap, coke by the boatload, fuck dat

On the run-by, gun high, one eye closed  
Left holes through some guy clothes  
Stop your bullshit, glock with the full clip  
Motherfuckers better duck when the fool spit

One shot could make a nigga do a full flip  
See the nigga layin' shocked when the fool hit  
Hey ma, how you, know niggaz wanna buy you  
But see me I wanna fuck for free like Akinyele

Here, this ride feel it inside your belly  
If it's tight get the K Y jelly  
All night get you wide up inside the telly  
Side to side 'til you say Jay-Z you're too much for me

I am a little bit of loneliness  
A little bit of disregard  
Handful of complaints but I can't help the fact  
That everyone can see these scars

I am what I want you to want, what I want you to feel  
But it's like no matter what I do, I can't convince you  
To just believe this is real

So, I let go, watching you  
Turn your back like you always do  
Face away and pretend that I'm not  
I'll be here 'cause you're all that I got

Got a condo with nuttin' but condoms in it

The same place where the rhymes is invented  
So, all I do is rap sex, imagine how I stroke  
See, how I was flowin' on my last cassette?

Rapid-fire like I'm blastin' a tec, never jam though

Never get high, never run out of ammo  
Niggaz hatin' 'n' shit 'cause I slayed your bitch  
You know your favorite, I know it made you sick

And now you're, actin' raw but you never had war  
Don't know how to carry your hoes, wanna marry your  
hoe  
Now she's mad at me, 'cause your majesty, just  
happened to be  
A pimp with a tragedy

She wanted us to end 'cause I fucked with friends  
She gave me one more chance and I fucked her again  
I seen her tears as she busted in, I said, ?Shit?  
There's a draft, shut the door, bitch, and come on in

I am a little bit insecure a little unconfident  
'Cause you don't understand I do what I can  
But sometimes I don't make sense

I am what you never wanna say  
But I've never had a doubt  
It's like no matter what I do I can't convince you  
For once just to hear me out

So, I let go watching you  
Turn your back like you always do  
Face away and pretend that I'm not  
I'll be here 'cause you're all that I've got

(I can't feel)  
The way I did before  
Don't turn your back on me  
I won't be ignored

(Time won't heal)  
This damage anymore  
Don't turn your back on me  
I won't be ignored

No, hear me out now, you're gonna listen to me  
Like it or not, right now  
Hear me out now, you're gonna listen to me  
Like it or not, right now

I can't feel the way I did before  
Don't turn your back on me  
I won't be ignored

(I can't feel)  
The way I did before  
Don't turn your back on me  
I won't be ignored

(Time won't heal)  
This damage anymore  
Don't turn your back on me  
I won't be ignored

(I can't feel)  
Don't turn your back on me  
I won't be ignored

(Time won't heal)  
Don't turn your back on me  
I won't be ignored
