Crawling in my skin

Crawling in my skin  
Without a sence of confidence  
Consuming, confusing  
Crawling in my skin  
Without a sence of confidence  
Im convinced that theres just too much pressure to take  
Theres something inside me  
That pulls beneath the surface

Crawling in my skin  
Crawling in my skin  
These wounds, they will not heal  
These wounds, they will not heal  
Fear is how I fall  
Fear is how I fall  
Confusing, confusing what is real  
Confusing what is real

Theres something inside me  
That pulls beneath the surface  
Consuming, confusing  
This lack of self-control  
I fear is never ending  
Controlling, I cant seem  
To find myself again  
My walls are closing in  
Without a sence of confidence  
Im convinced that theres just too much pressure to take  
Ive felt this way before  
So insecure

Crawling in my skin  
These wounds, they will not heal  
Fear is how I fall  
Confusing what is real

Discomfort endlessly has pulled itself upon me  
Distracting, reacting  
Against my will, I stand beside my own reflection

Its haunting  
How I cant seem  
To find myself again  
My walls are closing in  
Without a sence of confidence  
Im convinced that theres just too much pressure to take  
Ive felt this way before  
So insecure

Without a sence of confidence  
Without a sence of confidence  
Without a sence of confidence  
Im convinced that theres just too much pressure to take  
Without a sence of confidence  
Without a sence of confidence  
Without a sence of confidence  
Im convinced that theres just too much pressure to take  
To find myself again  
My walls are closing in  
Without a sence of confidence  
Im convinced that theres just too much pressure to take  
Ive felt this way before  
So insecure

Crawling in my skin  
These wounds, they will not heal  
Fear is how I fall  
Confusing what is real

Crawling in my skin  
These wounds, they will not heal Fear is how I fall  
Confusing what is real
