**(feat. Mike Shinoda, Aaron Lewis of STAINED)**

Crawling in my skin

Crawling in my skin  
Without a sense of confidence  
Consuming, confusing  
Crawling in my skin  
Without a sense of confidence  
Iâ'm convinced that thereâ's just too much pressure to  
take  
Thereâ's something inside me  
That pulls beneath the surface

Crawling in my skin  
Crawling in my skin  
These wounds, they will not heal  
These wounds, they will not heal  
Fear is how I fall  
Fear is how I fall  
Confusing, confusing what is real  
Confusing what is real

Thereâ's something inside me  
That pulls beneath the surface  
Consuming, confusing  
This lack of self-control  
I fear is never ending  
Controlling, I canâ't seem  
To find myself again  
My walls are closing in  
Without a sense of confidence  
Iâ'm convinced that thereâ's just too much pressure to  
take  
Iâ've felt this way before  
So insecure

Crawling in my skin  
These wounds, they will not heal  
Fear is how I fall  
Confusing what is real

Discomfort endlessly has pulled itself upon me

Distracting, reacting  
Against my will, I stand beside my own reflection  
It's haunting  
How I can't seem  
To find myself again  
My walls are closing in  
Without a sense of confidence  
I'm convinced that there's just too much pressure to  
take  
I've felt this way before  
So insecure

Without a sense of confidence  
Without a sense of confidence  
Without a sense of confidence  
I'm convinced that there's just too much pressure to  
take  
Without a sense of confidence  
Without a sense of confidence  
Without a sense of confidence  
I'm convinced that there's just too much pressure to  
take  
To find myself again  
My walls are closing in  
Without a sense of confidence  
I'm convinced that there's just too much pressure to  
take  
I've felt this way before  
So insecure

Crawling in my skin  
These wounds, they will not heal  
Fear is how I fall  
Confusing what is real

Crawling in my skin  
These wounds, they will not heal  
Fear is how I fall  
Confusing what is real
