I let go
Watching you
Turn your back like you always do
Face away and pretend that I'm not
But I'll be here
'Cause you're all that I got

I let go
Watching you
Turn your back like you always do
Face away and pretend that I'm not
But I'll be here
'Cause you're all that I got

I can't feel
The way I did before
Don't turn your back on me
I won't be ignored
Time won't heal
This damage anymore
Don't turn your back on me
I won't be ignored

I am
A little bit insecure
A little unconfident
'Cause you don't understand
I do what I can
But sometimes I don't make sense
I am
What you never want to say
But I've never had a doubt
It's like no matter what I do
I can't convince you
For once just to hear me out

I let go
Watching you
Turn your back like you always do
Face away and pretend that I'm not
But I'll be here

'Cause you're all that I got

I let go
Watching you
Turn your back like you always do
Face away and pretend that I'm not
But I'll be here
'Cause you're all that I got

I can't feel
The way I did before
Don't turn your back on me
I won't be ignored
Time won't heal
This damage anymore
Don't turn your back on me
I won't be ignored

I've known faces that have disappeared in time
Find me wrapped in glass and slowly soaked in lime
All my friends have pictures made to make you cry
I've seen this and wondered what I've done to calcify

I ignore you
As I close my eyes I feel it all slipping away
I come toward you
We all got left behind we let it all slip away

I ignore you
As I close my eyes I feel it all slipping away
I come toward you
We all got left behind we let it all slip away

No
Hear me out now
You're gonna listen to me
Like it or not
Right

No
Hear me out now
You're gonna listen to me
Like it or not
Right

I can't feel
The way I did before
Don't turn your back on me
I won't be ignored
Time won't heal
This damage anymore

Don't turn your back on me
I won't be ignored

I can't feel
The way I did before
Don't turn your back on me
I won't be ignored
Time won't heal
This damage anymore
Don't turn your back on me
I won't be ignored
