This is my December  
This is my time of the year  
This is my December  
This is all so clear

Just wish that I didnt feel  
Like there was something I missed  
Just wish that I didnt feel  
Like there was something I missed

This is my December  
This is my snow-covered home  
This is my December  
This is me alone

And I  
Just wish that I didnt feel  
Like there was something I missed  
And I  
Take back all the things I said  
To make you feel like that  
And I  
Just wish that I didnt feel  
Like there was something I missed  
And I  
Take back all the things I said to you

And Id give it all away  
Just to have somewhere to go to  
Give it all away  
To have someone to come home to

This is my December  
These are my snow-covered trees  
This is my December  
This is all I need

And I  
Just wish that I didnt feel  
Like there was something I missed  
And I

Take back all the things I said  
To make you feel like that  
And I  
Just wish that I didn't feel  
Like there was something I missed  
And I  
Take back all the things that I said to you

And I'd give it all away  
Just to have somewhere to go to  
Give it all away  
To have someone to come home to

This is my December  
This is my time of the year  
This is my December  
This is all so clear

Give it all away  
Just to have somewhere to go to  
Give it all away  
To have someone to come home to

Give it all away  
Just to have somewhere to go to Give it all away To  
have someone to come home to
