Finally recover
When the mood is right
Looking up into a neon sky
Time the mean takes over
Guess it's been too long
Since the last time that I tried to fly

[Chorus:]
Finally I find
When I lose control
Inside my body crumbles
It's like therapy
For my broken soul
Inside my body crumbles

Only needs a moment
Just to get away
Hope the stress won't mess up every day
No one final question
And I never doubt
Everything is gonna be okay

[Chorus]

Insecure would be my sign
(I don't know if I'll be alright, I don't know if I'll be alright)
I'll never have to hide
(I don't know if I'll be alright, I don't know if I'll be alright)
Try to live right
(I don't know if I'll be alright, Now I know it's)
It's alright

Finally I find
When I lose control
Inside my body crumbles
It's like therapy
For my broken soul
Inside my body

[Chorus]
