I cannot take this anymore, I'm saying everything I've
said before

All these words, they make no sense, I find bliss in
ignorance

Less I hear, the less you'll say, you'll find that out
anyway

Just like before

Everything you say to me

Takes me one step closer to the edge, I'm about to
break

I need a little room to breathe

'Cause I'm one step closer to the edge, I'm about to
break

I find the answers aren't so clear, wish I could find a
way to disappear

All these thoughts, they make no sense, I find bliss in
ignorance

Nothing seems to go away over and over again

Just like before

Everything you say to me

Takes me one step closer to the edge and I'm about to
break

I need a little room to breathe

'Cause I'm one step closer to the edge, I'm about to
break

Everything you say to me

Takes me one step closer to the edge and I'm about to
break

I need a little room to breathe

'Cause I'm one step closer to the edge and I'm about to
break

Shut up when I'm talking to you

Shut up, shut up, shut up

Shut up when I'm talking to you

Shut up, shut up, shut up

Shut up
I'm about to break

Everything you say to me
Takes me one step closer to the edge and I'm about to
break
I need a little room to breathe
'Cause I'm one step closer to the edge, I'm about to
break

Everything you say to me
Takes me one step closer to the edge and I'm about to
break
I need a little room to breathe
'Cause I'm one step closer to the edge and I'm about to
break
