When I look into your eyes there's nothing
there to see
Nothing but my own mistakes staring back at me

I've lied to you, this is the last smile
That I'll fake for the sake of being with you
(Everything falls apart even, even the people)
(Who never frown eventually break down)
(Everything has to end, you'll soon find)

For the sake of being with you
(We're out of time left to watch it all unwind)
(Everything falls apart even the people)
(Who never frown eventually break down)
The sacrifice is never knowing

Why I stay when you just push away
No matter what you see, you're still so blind to
me

I've tried like you to do everything you wanted to
This is the last time, I'll take the blame
For the sake of being with you
(Everything falls apart even, even the people)
(Who never frown eventually break down)

The sacrifice of hiding in a lie
(Everything has to end, you'll soon find)
(We're out of time left to watch it all unwind)
The sacrifice is never knowing

Why I stay when you just push away
No matter what you see, you're still so blind to
me

Reverse psychology is failing miserably
It's so hard to be left all alone
Telling you is the only chance for me
There is nothing left but to turn and face you

When I look into your eyes there's nothing
there to see

Nothing but my own mistakes staring back at me
Asking why the sacrifice of hiding in a lie
The sacrifice is never knowing

Why I stay when you just push away
No matter what you see, you're still so blind to
me
Why I stay when you just push away
No matter what you see, you're still so blind to
me
